Menzerna Super Heavy Cut Compound 300 GREEN LINE is a VOC-free\* ultimate high performance cutting compound for automotive clear coats with maximum cutting effect featuring the latest technology. SHCC 300 GREEN LINE removes 1200 grit sanding marks without aggressive solvents.

### Benefits, special features

- Fastest removal of sanding marks
- High quality polishing grit disintegrates during the polishing process, producing a uniform surface without deeper scratches
- VOC-free\* in Acc. with DIN EN ISO 11890-2
- free from unpleasant solvent odors

## VOC-free\*?

VOC- free means free from **V**olatile **O**rganic **C**ompounds (VOC) in according with DIN EN ISO 11890-2. The Menzerna GREEN LINE Products protects the health of the users and protect the environment. Especially with intensive use of solvent-containing products, health problems can arise. Furthermore the Menzerna GREEN LINE Products are free of hazard designations.
